

## Who is right? Flat Earthers, NASA globalists, or the Torah-Bible?

Many YouTube videos show a big battle over two conflicting worldviews. Each other is pointing a finger at another saying you are deceptive like NASA postulating fairy tales. The flat earth opinion seems to tip the scale quoting many Bible verses, which got me in the same position when Peter was asked to walk on water to meet Jesus. But being a scientist educated in forbidden metaphysics had second thoughts looking at a big wave and started sinking and cried, “Help me Lord” soon heard a timely answer, “*Why have you so little faith?*”

Watching the latest flat earth videos quoting the Bible is like walking on water, which cannot be explained in physics described, free in Babushka Egg book #6? - *A Donut Atom Nuclear Story*. But some YouTube videos kept expanding a mind directed to the metaphysical domain where the laws of physics are suspended to higher Kosmos laws linked to an invisible reality only recorded in the Torah-Bible. It cannot be explained in physics, with a two dimensional mirror reflected image. But the reality standing in front of the mirror is three-dimensional; much is invisible like a mind, consciousness or life. Current science is fuzzy mostly taught distorted in global universities like muddied water to reveal a deteriorated mortal mind. It needs the lights “on” in a mind and perhaps investigate a proposed “third flat-earth option theory” to envision that the earth could be bigger like Arcturus-Betelgeuse-Antares shown in a free Babushka egg #5, *Reflections on Global Warming*, (Page 53).

To widen knowledge horizons, check Babushka Research concept **Pearl #266** - *Flat-Earth assumption, Pearlettes #15* - *A Flat-Earth vs. Globe-Earth a Worldview Paradox*. Why were thousand true science facts converted to an evolution religion clothed in deception like a moon visit painted with space satellites generated in Hollywood graphic studios, worse evil suppressed totally *free energy* to benefit a (7) billion population linked to a corrupted mind?

Thus please notice another worldview tailored like a Babushka eggs invented by a Russian grandmother painting another eggs and perhaps use a kaleidoscope to show different color pattern. When turned could see a metaphysic design for a full rounded knowledge horizon. But avoiding controversies and to collect truth, I kept diving in the Bible Ocean to search for more precious pearls meant for the skeptic. I am sure it is a problem for comatose theologians or atheists in rebellion to YHWH divine laws being blinded by a paradox of an exclusive resurrection? Thus every mortal will be evaluated if we are suited for an appointed special purpose or for a promised free gift to receive Eternal Life on a bigger Earth *Jod* dimension.

Ancient history detailed the Noah Flood disaster 2288 BC (JC) that was caused by an asteroid, which ripped continents apart and perhaps pushed an Atlantis civilization under the South Pole ice rim-edge if the earth is bigger and flat. Jesus said the next Apocalypse is a bigger event never to be repeated ever again. But we should link it to the worst evil mankind ever has created which may tempt Satan to gloat, “I am more powerful than the ELOHIM?”

Recently again the Fukushima nuclear meltdown became the biggest NEWS from the UN experts sounding the alarm on many YouTube videos. Why is nobody scarred, every global government is silent? The expert confessed the problem is “too big” and do not know what to do, as nothing exist in the global town square to fix or deal with deadly “**nuclear radiation**”. Thus a comatose science community has run out of options, except one solution was offered and published five years ago in Babushka **Pearl #244**. Why was it worldwide ignored if it saving mankind? Why is the Torah-Bible hated globally and suppressed in every universities linked to science solution of a superior knowledge based on divine wisdom thus will perish!

This horrible problem is now accelerated by 450 deadly Nuclear reactors built around the world which will permanently affect the next 100,000 years extremely deadly to Mankind. Billion dead fish washed up on California to Alaska beaches in 2015-2016 and now most of the Pacific Ocean is radioactive polluted, killing worldwide Life ignoring massive extinction.

Farmers growing radiated food across Japan, why is it ignored by corrupted bureaucrats in the government not interested in the welfare of their own nation or caring for your future generation? How will God deal with that destructive situation? One scenario was described in Babushka concepts linked to another prophesied asteroid thus YHWH once more will repeat history again to push an evil polluted civilization under the ice to disappear without a trace with a billions population thus perish like before an Atlantis Civilization during Noah's time. That was reported in the oldest book of mankind we can trust. Why ignore it, thus perish?

What you read here was meant to widen knowledge horizons to better understand the Torah-Bible which was corrected by angels disguised as scholars or scribes to help a prophet to write God's Word under a *penname* to harmonize on a divine metaphysical level for a future higher educated mankind. Or explain to me how it was possible to describe in detail a complicated text found in caves when tape-recorders did not exist 4000 years ago. Investigate Job or Gospels turned like kaleidoscope will enjoy what was revealed like finding another precious pearl not for sale? That is a paradox again thus verified when the light is ON in your mind, you see more to understand why the ELOHIM offered a good choice- Eternal Life.

1. A better worldview is described in **Genesis 1:1** as Ausdehnung separated by *MEM* which is not "water" dividing heaven and earth expressing a different creation report of *seven cycles*. Notice when God the Creator ELOHIM first explain his creation, He started explained in HANS with the Hebrew letter "**B**"-*Beth*, which is dual in application - "divide or split" logically would ask the question why? Only the Bible has the answer.
2. It revealed that God's Plan for Mankind will first start with the metaphysical MEM-40 translated by HANS "**purpose**". Thus *infinite* light coming from a metaphysic Kosmos source will transfer divine Life. To better understand a Flat-earth with true science, which can only be made visible if manifested in a Time Dimension (evening-morning), now it is placed in the middle of *Bereshyth*. Thus, it split the Kosmos in two dimensions: *Heh*-angel-heaven and a *Daleth* dimension which is a mortal Petri dish incubator linked to crystallize and forming elements creating solid matter to condense into a big earth planet. The metaphysic Ausdehnung is thus bridged, "**Let us make mankind in our image.**" On one side is an invisible ELOHIM-Spirit the other side to make him visible recognized by most mortals, as **Yeshua-Jesus** shrouded in mortality reported only in the Torah-Bible suppressed in world history not accepted by atheists having a brain-dead no light spirit.
3. Once more, to check the metaphysic laws operating on a higher reality reflected in the mirror of physics. It reveals if one is called to walk on water with Yeshua across MEM-Purpose *spread* over the Ausdehnung dome, thus some could survive the rainbow storm of **God's Wrath** - as the laws of physics are suspended by a safety resurrection. Be assured not forgetting in a court of law presenting many witnesses to distinguish between truth and lies linked to 14 Babushka eggs which point to a Jonah-II warning exposing the consequence when YHWH laws are violated and modified the gene pool of Mankind in hi-tech Transgenetic again and abuse an unforgiving nature with GMO patents. Thus...

*Now the earth was corrupt in God's sight and was full of violence. YHWH saw how corrupt the earth had become, for all the people on earth had corrupted their ways. So YHWH said to (our world), "I am going to put an end to all people, for the earth is filled with violence because of them. I am surely going to destroy both them and the earth." (Gen. 6:11-13)*

*Thus... Every living thing that moved on land perished—birds, livestock, wild animals, all the creatures that swarm over the earth, and all mankind. Everything on dry land that had the breath of life in its nostrils died. Every living thing on the face of the earth was wiped out; people and animals and the creatures that move along the ground and the birds were wiped from the earth. Only Noah was left and those with him in the ark. (Genesis 7:21-24 NIV) - Question -What is your ark? Ask Yeshua.*
