

The Seventh Trumpet - Extraterrestrial Events (Rev. 19:1)

The representation of an earth-globe doctrine recently created a frenzy of flat earth theories referred in **Pearl #271**. Both sides have powerful arguments, but my third viewpoint of a flat sphere like a Berliner Donut could become realistic, if linked to a better theory like a new Donut Atom (Babushka Egg #6), because the speed of light was measured 300 times faster by Princeton University. Thus, when our sun is smaller and closer, it could support a flat earth conjecture but would require a dome firmament above separated from below now better justified with a Hebrew Alphabet Number System (HANS) published in free Babushka egg concept Books. The word "Dome" should be widened to **Domain** or dimension because **MEM** was poorly translated "water" by confused scholars analyzing the universe. An alternate premise to understand the text with science perhaps replace **MEM** with ∞ **energy** to widen knowledge horizons and expose many fake science deceptions published in free Babushka eggs and many Pearls.

Examining prophecy with newly discovered science can decipher the **Seven Thunders** mystery cycles of 40-day which will lead to the final events in the sky much brighter and bigger as an atom-mushroom. It is really the apex of God's Plan for Mankind now concluded and dated **14 April 2017**. The biggest NEWS is that Evil will be finally terminated to restore a Kosmos and transition a **Daleth** dimension to mature Mankind designed for a **Jod**-dimension for a Creator's exclusive pleasure. His name was revealed to Moses as **YHWH**, but to us mortals it is still invisible infinite spirit, impossible to define for an educated MIND. Thus, the infinite divine Godhead had to become visible in **Yeshua-Jesus** in the newly created **Daleth** dimension designed to restore and balance the Kosmos again. After Lucifer-Satan's rebellion, angels could no longer be trusted, thus God created mankind on a two-stage system explained in nature with the caterpillar-butterfly analogy. When Satan gave birth to evil, God turned it neutralized around into something useful as proven in DNA science's inoculation method to create an immune system to prevent further infections of evil and safeguard a future resurrected body.

The history of mankind expanded in free Babushka egg and Pearls point to a prophecy time when very few will survive. The world's population will be reduced by 90% as viewed with the tools of science. When facing death, please hurry to Eternal Life with a last prayer, "Lord Jesus remember me in your kingdom," like the next crucified thief with Jesus was assured and got his answer, "*Today you will be with me in my eternal kingdom.*" That divine promise is still available even as we run out of time with our civilization fast collapsing. If you are still alive will experience the last Seventh Seal opened (**Rev. 8**), which matches Daniel's vision (**Dan. 7:9-18**) ending with very few survivors passed the **Seventh Thunder**. A brilliant lit sky will confirm that mankind's redemption has arrived. (**Rev. 19:11-21**)

After Armageddon, the greatest battle in history, some mortals will be rewarded with a *pre-resurrection* ticket, if you pass the divine Holiness test meant for a future purpose. It is exclusive to the appointed Saints invited to the Golden City-Star of Bethlehem spaceship. The ELOHIM is traveling throughout the Kosmos in style like a president in Air Force ONE. Very few will survive God's Wrath judgment, only some specially chosen to continue mortal mankind. I believe it will be mostly babies, still pure and not burdened with sin, who will survive on *manna* provided once more like in ancient times, because the world will be totally destroyed by an asteroid like Dactyl. A new civilization will be re-established, and it will be governed by the appointed Saints favored by the King, thus pre-resurrected and trained for new job assignments. Together ushered in by **Seventh Thunders** will start a new divine Kingdom thus watch the sky and listen for the last Seventh Trumpet blast to wake up the Dead repeating a resurrection.

Those destined for sainthood since Adam with the recent appointed Saints are the privileged virgins whom the king selected (**Matt. 24**) and invited into Yeshua's spaceship for a welcoming party in the sky. Described in **Revelation 21:9**, the huge traveling spaceship residence of ELOHIM will darken the daylight sky when it comes to save some remnant babies of mankind and Israel. Thus, every divine prophecy will be fulfilled - perhaps many portions of God's Word will then be retired and placed in historic museums for future generations. I hope, one way another, that I may witness the spectacle in the sky and persuaded some to investigate the hundreds science eyewitnesses discovered by Jonah-II believing that all point to Passover **10 April 2017** (Pesach 5777), as only God can change his schedule.

The Seventh Thunder Echo (Rev. 18:1-24)

After this I heard what seemed to be the loud voice of a great multitude in heaven, crying out, "*Hallelujah!* Salvation and glory and power belong to **Yeshua-Jesus** our God, for his judgments are true and just; for he has judged the great prostitute who corrupted the earth with her immorality, and has avenged on her the blood of his servants. "Once more they cried out, "*Hallelujah!* The smoke from her goes up forever and ever." And the twenty-four elders and the four living creatures fell down and worshiped YHWH (God) who was seated on the throne, saying, "Amen. *Hallelujah!*" And from the throne came a voice saying, "Praise YHWH our God, all you his servants, you who fear him, small and great."

The Marriage Supper of the Saints

Then I heard what seemed to be the voice of a great multitude, like the roar of many waters and like the sound of mighty peals of *seven* thunders, crying out, "*Hallelujah!* For YHWH (the Lord) our God the Almighty reigns.

Let us rejoice and exult and give him the glory, for the marriage of the Lamb has come, and his Bride has made herself ready; it was granted her to clothe herself with fine linen, bright and pure"—for the fine linen is the righteous deeds of the saints.

And the angel said to me, "Write this: Blessed are those who are invited to the marriage supper of the Lamb." And he said to me, "These are the true words of YHWH (God)." Then I fell down at his feet to worship him, but he said to me, "You must not do that! I am a fellow servant with you and your brothers who hold to the testimony of Yeshua-Jesus. Worship YHWH, our God." For the testimony of Yeshua-Jesus is the spirit of prophecy.

The Rider on a White Horse

Then I saw heaven opened, and behold, a white horse! The one sitting on it is called Faithful and True, and in righteousness he judges and makes war. His eyes are like a flame of fire, and on his head are many diadems, and he has a name written that no one knows but himself. He is clothed in a robe dipped in blood, and the name by which he is called is **The Word of YHWH** (God). And the armies of heaven, arrayed in fine linen, white and pure, were following him on white horses. From his mouth comes a sharp sword with which to strike down the nations, and he will rule them with a rod of iron. He will tread the winepress of the fury of the wrath of God the Almighty. On his robe and on thigh has a name written, **Yeshua-Jesus**

"King of kings and Lord of lords"

God's Wrath – Seven Thunders (Ref. Rev.10)

Then I saw an angel standing in the sun, with a rainbow around his head and with a loud voice he called to all the birds that fly directly overhead "Come, gather for the great supper of God, to eat the flesh of kings, the flesh of captains, the flesh of mighty men, the flesh of horses and their riders, and the flesh of all men, both free and slave, both small and great." And I saw the beast and the kings of the earth with their armies gathered to make war against him who was sitting on the horse and against his army. And the beast was captured, and with it the false prophet who in its presence had done the signs by which he deceived those who had received the mark of the beast and those who worshiped its image. These two were thrown alive into the lake of fire that burns with ∞ fire. And the rest were slain by the sword that came from the mouth of him who was sitting on the horse, and all the birds were gorged with their flesh...
