

## #14 = Daniel's Mystery Scroll - Part 2 (Dan. 11:40-45)

Most Christians are confused about Daniel's sealed prophecy. They should visit some museums and check ancient clocks like the bronze Antikythera clock in Athens. It is the oldest wobble calendar designed with 32 gears with (3) dials. I dated it 518 BC around Daniel's time. While watching some NOVA deceptive TV shows, atheistic scientists still have not cracked the antique code and only make a lot of assumption noise, similar to the many other artifact clocks exhibited in global museums collecting dust. This scientist accepts Truth stated in the oldest book on earth. After hundred years someone came around to crack the code and researched much of history; Babushka Egg concept book #3, **Asteroid Answers to Ancient Calendar Mysteries**. Why is it still suppressed in global universities? Is it because many forbidden Bible stories are not allowed in the public town square to widen knowledge horizons without being threatened?

Theologians copy each other's books only to make money being scantily educated in true science. Perhaps they could widen knowledge horizons, too, and check Daniel's vision for the Endtime by investigating a Jonah-II warning, if the web is still around. Babushka egg concepts looks at Scripture from a science perspective not allowed in Prophecy Summits. Most have recently disappeared from the TV replaced by an Internet technology now gathers knowledge at a fingertip, but it still needs a Mind with the lights ON to think in forgotten logic. Thus, I think we will eventually discover that Babushka Egg concepts fit between two **worldviews** like a third option. On one side is a Flat Earth believed for thousands of Bible years; the other is speculated by NASA atheists explaining a globe universe system with fake science.

Both have some merit but need a judge like King Salomon to divide the science baby to reveal Truth mirror imaged in the first Genesis page. The Apocalypse is central to the Plan for Mankind now ignored in churches, too. When we investigate the ancient book of Daniel, we should use artifacts collected in museums to unravel Daniel's mystery and decipher what he was told to seal.

Thus, the oldest flat earth map from the First Century printed in America and England (1892) has the major continents grouped around the North Pole similar to the blue UN logo flag. That could be helpful if linked to prophecy which mentions kings from the North, South and East. But why is West missing, only a wide-open ocean? Only a Flat earth map made sense to decode the rest of Daniel's mystery. The reason becomes obvious and to make it easy to identify prophecy just turn the Flat-earth disk to a position

aligning north to the missing "West" where no land is found on the ancient map. That way is counter to theologian, China is North, Europe (UN) and Islamic Africa is East with the USA positioned South. Thus, the **Dan. 11:40** prophecy will make more sense to foretell the imminent future, dated this year, depending on divine grace. Please spent the time and read once more Daniel's Mystery scroll not heard in the halls of higher education or any church.

<sup>40</sup> "At the time of the end, the king of the **south** shall attack him, but the king of the **north** shall rush upon him like a whirlwind, with chariots and horsemen, and with many ships. And he shall come into countries and shall overflow and pass through. <sup>41</sup> He shall come into the **glorious land (Israel)**. And tens of thousands shall fall, but these shall be delivered out of his hand: Edom and Moab and the main part of the Ammonites. He shall stretch out his hand against the countries, and the land of Egypt shall not escape. <sup>43</sup> He shall become ruler of the treasures of gold and of silver, and all the precious things of Egypt, and the Libyans and the Cushites shall follow in his train. <sup>44</sup> But news from the **east** and the **north** shall alarm him, and he shall go out with great fury to destroy and devote many to destruction. <sup>45</sup> And he shall pitch his palatial tents between the sea and the glorious holy mountain. Yet he shall come to his end, with none to help him. (Daniel 11:40-45 ESV)

Worlds Last Chance - Flat Earth: Jesuits & the Global Conspiracy!

At this time January 2017 the AntiChrist-morphed-Satan has not been identified, only his prophet, the present Jesuit-Pope trying to unite most religions controlled by Satan is known. In verse (40) the king of the south is the USA where Donald Trump perhaps is the last president educated by Jesuits too, like Stalin and many past world leaders. There is a conflict between the AntiChrist - either an American Citizen or European UN official, but the text reveals that the USA will instigate World War-III with China to start the Apocalypse with the first 100 million killed. Another sign will be the ancient prophet Elijah appearing, having come back from heaven to warn Israel. He will still be mortal, not to be an exception, as ELOHIM said, "*All who have sinned will die.*"

Reading the text, the last war will overflow toward the hot spot Islamic countries with Israel in the center of a biblical conflict explained in many pearls and YouTube videos. But the news from UN-NATO and China incursions creates an overreaction that accelerates into a global Apocalypse ending in Armageddon. Just read in a hurry a number of Babushka pearls. Surely you and I will not survive unless marked by ELOHIM destined for a purpose. (**Dan. 12:1-12**) Play it safe. Call on **Yeshua-Jesus** as a priority to make sure of **Eternal Life** freely given. Yeshua can change his schedule nonetheless. Only his decision is final.
