

#16 = The Old Testament Ended in God's Wrath {Malachi 4:1- 5}

The US election has settled down with a new president Donald Trump still ignoring many prophets in the Torah-Bible proclaiming that the Apocalypse is at the front door, as dated by Jonah-II from science. When evil exceeds the Babushka egg Richter scale measuring absolute Evil to the core, we will perish.

This modern generation challenges the Creator ELOHIM the same as Noah's Atlantis Civilization did in 2288 BC. No one cared that the human gene pool was messed up, mixed with animal genes giving birth to horrible baby aberrations check **Pearl #270**. GMO technology has permanently changed the reproductive genes of many seeds for the future food supply, thus will self-destruct every gene patent to terminate the next generation connected to the laws of an unforgiving nature. A most evil Monsanto-Bayern-cartel has permanently altered the reproduction intelligence of every living DNA now on an irrevocable path to become extinct. Even President Trump obeyed the Oil-Cartel still denying (7) seven billion people from enjoying the benefits of absolutely "**Free Energy**" discovered 100 years ago. Instead, has increased the infrastructure of the greatest polluter oil cartel and worse violated the rights of a US Indian Nation to protect their environment. He continues the Satan-inspired policies destroying nature internationally linked to massive death of marine-terrestrial Life. The last frontier of the original forest ecosystem is in danger to disappear forever. Why not close down those industrial chemical cartels flushing their poison in every river, now fishless, and use the ocean as a sewer destructive to a vast complex life ecosystem. Why abuse the environment to self-destruct all Life on earth. In China the air is so thickly polluted demonstrating the radical effect of unforgiving laws of nature. Only the Creator ELOHIM can save mankind from absolute Evil destroying billions of species meant for the next generation. They allow Lucifer Illuminati psychopaths NYC banker club - to bribe every government. Soon this generation will be terminated ignoring the warnings thus perish like Sodom and Gomorrah.

Surely the day is coming; it will burn like a furnace. All the arrogant and every evildoer will be stubble, and the day that is coming will set them on fire," says the LORD YHWH Almighty. "Not a root or a branch will be left to them. ⁵"See, I will send the prophet Elijah to you before that great and dreadful day of the Lord YHWH comes. ⁴"Remember the law of my servant Moses, the decrees and laws I gave him at Horeb for all Israel. (Why are the Ten Commandments forbidden in the halls of Justice and the Israeli Knesset?) ²But for you who honor my name, the sun of righteousness will rise with healing in its rays. And you will go out and frolic like well-fed calves. ³Then you will trample on the wicked; they will be ashes under the soles of your feet on the day when I act," says the LORD YHWH Almighty. Malachi 4:1-5

Reading *Malach* (i) means a *messenger* of judgment linked to a covenant renewal, and the letter (i) at the end came this time under a penname Jonah-II with a big **Energy Fish**. A parallel message (*malach*) to Nineveh addressed to the king now a New World Order watching what comes next. In my case too, it seems that the Jonah-II dating schedule was delayed perhaps when millions of Moslems were forced from their homes to Europe and border camps and hope they would be exposed for the first time to the Gospel NEWS. Thus, God can delay his judgment schedule and wait for the last soul harvest described in **Jonah 4:11**. But the birth of God's Kingdom on Earth is the center of His creation, and thus irrevocably interlinked to prophecy started in **Genesis 1:1 - Beth** demonstrated in HANS. Notice that Bible prophecies with deciphered science facts will end consistently repeated by Yeshua, "**It is written.**"

The Seven Thunders (**Rev. 10**) decoded in the Babushka Eggs highlight facts from a different viewpoint ***to distinguish between the righteous and the wicked, between one who serves YHWH and one who not serve him. (Mal. 3:18)*** The younger generation in Israel is alienated from their parents, so before Jacob's Trouble arrives, God in his mercy will send Elijah to bring both together at the last minute. An evil society must now recognize that all prophecies from 40 scribes will end when Yeshua disembarks from his spaceship (Star of Bethlehem) in the sky. Riding a white horse, he will display the greatest royal power parade with his million-angel army. The last world war on earth against Jerusalem will be expanded between (2) two rivers, promised to Abraham, will end totally lifeless being judged. (Gen. 13:15) It will take the Jewish survivors seven (7) months to collect billions dead bodies piled up in a pyramid as a memorial for future generations. Do not mess with YHWH! Please pay attention and get prepared shortly to die and ask Yeshua-Jesus for Eternal Life, still dated for the **Solstice 2017-5778**.
