

## **#16 = The Old Testament Ended in God's Wrath (Malachi 4:1-5)**

The US election has settled down with a new president Donald Trump still ignoring many prophets in the Torah-Bible not understanding that the Apocalypse is at the front door, as dated by Jonah-II from science. When evil exceeds the Babushka egg Richter scale measuring absolute Evil, we all will perish.

This modern generation challenged the Creator ELOHIM the same way as Noah's Atlantis Civilization did in 2288 BC. No one cared that the human gene pool was messed up, mixed with animal genes giving birth to horrible baby aberrations check **Pearl #270**. GMO technology has permanently changed the reproductive genes of many seeds for the future food supply, thus will self-destruct every gene patents and terminate the next planting season connected to the laws of an unforgiving nature. A most evil Monsanto-Bayern-cartel has in secret permanently altered the reproduction intelligence of every living DNA now on a path to become irrevocable extinct. President Trump obeyed the Oil-Cartel still denying (7) seven billion people from enjoying the benefits of absolutely "**Free Energy**" discovered 100 years ago. Instead, has increased the infrastructure of the Oil cartel the greatest global polluter of nature and worse violated the rights of a US Indian Nation to trash their environment. He continues the Satan-inspired policies to wipe out destroying nature linked internationally to massive death of marine-terrestrial Life and last frontier of the original forest ecosystem in danger to disappear forever. Why not close down those industrial chemical cartels flushing their poison now fishless in every river and use the ocean as a sewer destructive to a vast complex life ecosystem. Why abuse the environment to self-destruct all Life on earth. In China the air is so thickly polluted demonstrating the radical effect of unforgiving laws of nature. Only the Creator ELOHIM can save mankind from absolute Evil destroying millions of species meant to be enjoyed for the next generation. They allowed psychopath criminals of Lucifer Illuminati NYC banker club to bribe worldwide governments. Soon this wicked generation will be terminated by YHWH ignoring his warnings thus will perish like Sodom and Gomorrah.

*Surely the day is coming; it will burn like a furnace. All the arrogant and every evildoer will be stubble, and the day that is coming will set them on fire," says the LORD YHWH Almighty.  
"Not a root or a branch will be left to them.*

## Sound Bites in front of the Abyss of God's Wrath

<sup>5</sup>“See, I will send the prophet Elijah to you before that great and dreadful day of the Lord YHWH comes.”<sup>4</sup>“Remember the law of my servant Moses, the decrees and laws I gave him at Horeb for all Israel. (Why are the Ten Commandments forbidden in the halls of Justice and the Israeli Knesset?)

<sup>2</sup>But for you who honor my name, the sun of righteousness will rise with healing in its rays. And you will go out and frolic like well-fed calves.<sup>3</sup>Then you will trample on the wicked; they will be ashes under the soles of your feet on the day when I act,” says the LORD YHWH Almighty. (Mal.4:1-5)

The penname *Malach*-(i) means a *messenger* of judgment linked to a Jewish covenant renewal. But the letter (i) at the end is similar to Jonah-II announcing a big **Energy Fish**. A parallel message (*malach*) was sent to Nineveh addressed to the king equivalent now a New World Order watching what comes next. In my case too, it seems that the Jonah-II dating schedule was delayed perhaps when millions of Moslems were forced from their homes to destabilize Europe with many border camps, thus I anticipate they should be exposed for the first time to the Gospel NEWS. Only God can delay his judgment schedule and wait for the last soul harvest described in **Jonah 4:11**. Save for the birth of Yeshua's earthly Kingdom, which is the center of His creation, thus *prophecy* is irrevocably interlinked to start with **Beth** in **Genesis 1:1** demonstrated by HANS. Notice, most Bible prophecies is easier deciphered with historical science facts to end up consistently repeated by Yeshua: ***It is written***.....

The Seven Thunders (**Rev. 10**) were decoded in the Babushka Eggs and highlighted facts from a different viewpoint ***to distinguish between the righteous and the wicked, between one who serves YHWH and one who not serve him***, (Mal. 3:18)

The younger generation in Israel is alienated from their parents, thus before Jacob's Trouble arrives, God in his mercy will send the prophet Elijah to bring both together at the last minute. An evil society must now recognize that all prophecies from 40 scribes will end when Yeshua disembarks from his spaceship (Star of Bethlehem) in the sky. Riding a white horse, he will display the greatest royal power parade with his million-angel army. The last world war on earth against Jerusalem will be expanded between (2) two rivers, promised to Abraham (**Gen.13.15**) will end totally lifeless being judged. It will take the Jewish survivors seven (7) months to collect billions dead bodies piled up in a pyramid as a memorial for future generations. Do not mess with YHWH! Please pay attention and get prepared shortly to die and ask Yeshua for Eternal Life offered after **Solstice 2017**.
