

#4 - The Ephah of the Wicked Woman 12-16-2016

Many theologians will not tell you that the Apocalypse birth pangs have historically passed. Only two mayor events have not yet occurred, which would indicate that God is waiting a little more to give Mercy extending his schedule like Nineveh - perhaps by (7) seven months. Only the Creator can change his schedule. Thus, He must watch mankind to keep Evil balanced, or many species will become extinct by an unforgiving nature, so that Satan could gloat in pride claiming before the angels, *"I am more powerful than the Creator."* The other side of a coin is waiting to complete the number of Saints He wanted selected from Islamic-Moslem refugee camps flooding Europe. When the number is reached, he will start the two missing events and shorten the time to match his schedule - maybe Yeshua's return is on a Jewish holiday as prophesied by four OT prophets told in Babushka egg concept book #11- ***On That Day*** linked to Rosh Hashanah, **21 September 2017**.

The last predicted events are from the *Heh* dimension - the other side – as seen by the prophet Zechariah. He was asked, "What do you see?" He saw two stork-bird-women flying in the sky carrying an Ephah with a woman inside called "Wickedness". Thus, the three women are three events. One is very wicked, and two are the two missing Apocalypse events.

Then the angel who was speaking with me went out and said to me, "Lift up now your eyes and see what this is going forth." I said, "What is it?" And he said, "This is the Ephah going forth." Again he said, "This is their appearance in all the land (and behold, a lead cover was lifted up); and this is a woman sitting inside the Ephah." Then he said, "This is Wickedness!" And he threw her down into the middle of the Ephah and cast the lead weight on its opening. Then, I lifted up my eyes and looked, and there two women were coming out with the wind in their wings; and they had wings like the wings of a stork, and they lifted up the Ephah between the earth and the heavens. I said to the angel who was speaking with me, "Where are they taking the Ephah?" Then he said to me, "To build a temple for her in the land of Shinar; and when it is prepared, she will be set there on her own pedestal." (Zechariah 5:1-11)

No interpretation exists to decipher this mystery Bible verse avoided in church preaching biased falsified dogmas. Notice: the stork-woman has dual-event wings that operate in the air domain, representing the last two Woe events (Rev. 9:12) before the return of Yeshua. One is Satan coming to earth after losing the War in Heaven in a great display of power linked to a morphed Satan (antichrist) and his religious prophet, the last Jesuit Pope. The other two-winged witness opposing is Elijah, who returns to earth as foretold by Jesus and the prophets. (**Malachi 3:5**) Elijah must die like all mortals, thus he comes back to Jerusalem to close the Apocalypse curtain. (**Rev. 11:7**)

The stork-woman (two events) is linked to a basket container system covered with a lead seal. A basket in ancient times was used to measure wheat like we do today with a bushel to exchange a certain value in trade. It started in Babylon, the cradle of the first civilization, to cross over the Time-dimension (air) and end in a temple in Shinar, which I think is America. A temple is a place of worship on a higher power level and is linked to a wicked woman pedestal - NYC statue.

The heavy cover metal – "lead" is used in a printing press to make the individual letter stencils, resembling the illuminati NYC bankers printing fiat money at the End time to cover a measuring system-Ephah-basket, to end in Shinar the center, symbolized by a NYC statue linked to a wicked invisible woman, the Federal Reserve banking system. That banking scheme was invented by Satan, who corrupted again a civilization after Noah's Flood in Shinar Babylon. The lead cover is the worship Stock Market temple for the affluence sold by the wicked woman-event (invisible inside the Ephah) to criminal bribe the whole world by psychopath NYC bankers to gain evil fiat wealth.

Thus, the Apocalypse ends with the last act of a failed Illuminati NYC banking system with Satan bound in prison and his prophet Jesuit Pope killed. It is linked to the Two Witnesses from heaven, the air-*Heh* dimension, to be a duplicated mini-resurrection event ushering the Kingdom of God with Yeshua-Jesus appearing in power in the sky linked to **God's Wrath**. It is dated **Solstice 5778** depending on God's Grace in extending a divinely planned schedule. If you have sinned, surely you will not survive the Apocalypse, thus asked Yeshua-Jesus forgive my sins, I am sorry and accept his pardon and receive Eternal Life, that simple. If you have a little baby will be saved as some mortals will grow the next civilization revealed in Babushka egg, if the web is still around. (**Pearlette #20**)
