

The Last Prophecy Update Before YHWH Wrath

The Torah-Bible explained some true science witnesses in Part-2, which is compared to fake science. It ended up with a little Jewish history about Why there is again a Judgment? A flat-earth map printed by Gleason in America (1800 AD) could affirm prophecy. When turned “North”, the Flat Earth map will demonstrate a recent coalition Turkey-Russia or China. (**Dan. 11:11**) The Southern Kingdom is America as shown on this old map, which will react and start WWII when Israel is invaded in the coming Jacob’s Trouble ending in the Armageddon Apocalypse (**Ezek. 38 & 39**). Thus a corrected Hebrew calendar has changed the World Cuckoo Clock amended many times educated in true science. (**Pearl#300**)

Dating the Apocalypse (**Pearl #276**) is difficult when the Hebrew 7000yr. calendar was off by 3-4yr. not adjusted enough and should be linked to the Creation report. (**Gen. 1:5**) When looking through a fisheye lens telescope owned 95% by the Vatican, they see many flickering dome lights at night, which is interpreted by NASA Research as moving “**planets in space**”. These deceptive lies of fake science are still taught in every school made-up since Pope Gregory XIII from the Middle Ages. Hence a dome ceiling might be formed by protruding stalactite crystals of frozen gas lighted by a fading Sun, or is verified by rockets that suddenly stopped falling to earth shown in fast disappearing YouTube videos.

The Torah-Bible recorded that the earth was a solid disk turning solstices of tropical seasons (no winter) in seven moon cycles, thus mistranslated the age of Methuselah in current *years* (969) not genetically possible. (**Gen. 5:27**) A historic map of the Earth is like a flat pizza, which could calculate the date of the Apocalypse amended many times by a shifting magnetic (North) Pole.

Many magnetic locations were measured in the past 20 years by a team of French scientists (50 Km/yr. @ 2020) moving toward Siberia postulating that the earth is turning counter-clockwise in axis wobbles inside the dome. Applying physics, a peculiar magnetic earth mass is attracted to a magnetic Sun. It operates like a clock that turns a (sun) pointer “around once” to push a magnetic (pole) one step, linked to a Zodiac of modified calendar *Time* cycles. Perhaps a dome size diameter [$2R = C/\pi$] is 111,465 Km (7000 x 50 / 3.14). It causes fluorescent Moon projection (sun-after-glow) short by 27days/solstice? Today we see Polaris (North Star) useful for sailing ships but could project moon calendars linked to gold-bronze clocks (**Babushka Egg Book #3-Ancient Calendar Mysteries**). Prehistoric clocks, pole shifts and shorter Methuselah age linked to geology (examining a tropical ancient climate of coal seams or big fossil bones) could be handy dating the prophesied Apocalypse.

When accumulated knowledge is exchanged for counterfeit science, one becomes ignorant. Just show me a genuine photograph of the phantom Hubble telescope, or put an astronaut suit in liquid air (Kelvin temperature)? I copied some of their fake galaxy pictures in Babushka egg books; perhaps it saved my Life from the Oil cartel or shadow US government because so many recent scientists were murdered to be silent. I sent (11-11-11) President Obama **Babushka Egg Concept Book #9**. Three weeks later I had a surprise visit by the IRS and the State Department traveling miles on dirt roads. They investigated an old barn and found nothing, but wondered how an old retired man knew of suppressed **top secret energy** information kept hidden for a 100 years by international governments. Recently many oil wells are worldwide depleted seeking other sources, could employ enormous energy embedded in nature, which will fuel Yeshua’s Kingdom for thousand years. Please read - **Free Energy for Dummies #33**.

An inventor pennamed Jonah-II exposed many dangerous energy frauds in veiled science that revealed forgotten Truth unaware in small steps by YHWH. Thus a retired Jonah-II discovered numerous “warnings” in the Torah-Bible of *why* and *how* this **civilization** will perish and documented divine facts that prophesied two important Cities in our time. The Creator YHWH separated Mankind into two groups: one for the Saints invited to His headquarters described as a Golden City traveling throughout the universe. (**Rev. 21:9**) But the second City is chosen on Earth like NYC of international commerce, to judge the activities of an Evil Elite that created crimes and injustice. The City is destroyed by the Creator YHWH in one hour (**Rev.18**), or maybe used a nuclear bomb via Illuminati FED-IMF bankers?

Thus, watch the next event of Two Witnesses from heaven like Elijah and Enoch, proven still alive to explain what was misunderstood in the Gospel as Yeshua prophesied a global judgment similar to Noah’s time (2288 BC). When Mankind became corrupt again like wicked Sodom & Gomorrah, was declared once more **guilty** to end in His **Wrath**. (**Gen. 6:5**) But YHWH planned that Life ruled by divine laws, will consequently continue without Evil in the *Jod* dimension.

Conversely, a Hebrew 7000yr. calendar was only corrected by 35_{yr.}, therefore needed more proof from the Minor Prophets. (**Pearls #276, #294, #295**) related to Jacob’s Trouble (**Pearl #120**) and connected to current political events in Jerusalem. It is linked to a Jewish history as retold by Stephan (**Acts 7**) with Abraham, Moses and finalized in the murder of their Messiah Yeshua. It ends in a Resurrection and a Temple curtain mystery split from the top to bottom revealing **Eternal Life**. Thus the religious establishment initiated persecutions of messianic new believers called Christians that caused the Creator YHWH to destroy their Temple (70AD).

Many Jews while exiled for 2000yr. and disbursed throughout Gentile nations held on to old Ersatz traditions. They suffered persecution, robbery and ethnic cleansing to fulfill a self inflicted curse when their Messiah Yeshua was tortured and crucified. The nation Israel ended in a revolt by Bar-Kokhba (132-136AD) that totally destroyed the city Jerusalem with thousands of Jews killed, the rest sold as slaves, even the land was renamed Palestine. Now Israel prophesied is reborn on the predicted Endtime, but many rabbis wish to sacrifice in a Temple and so reject their Messiah again. Educated in outdated tradition became spiritually dead thus soon will be judged in **Seven Seals** linked to **Seven Thunders**. (**Pearl #242**)

The next civilization will show an official **Date** of the return of Yeshua-Jesus on a special commemorate coin stating **King of Kings** and **Lord of Lords** of seventy nations governed worldwide. This current generation is lacking old-fashioned common sense; therefore, it will not realize historic concepts only educated in fake science. Hence the arrival of a global Corona Virus outbreak on a crossroad was explained fourteen years ago in **Babushka Egg Book #1 - God’s Plan for Humanity**. The Torah-Bible revealed that every word we speak is recorded in the Book of Books. To evaluate Mankind inoculated with Evil, hence Yeshua-Jesus will appoint many judges to review **Probation** (Pearl #300) in a teeter-totter balance test: **Mercy** unto **Life**, but many receive **Mercy** unto **Death** not qualifying for the *Jod* dimension. Thus, **Babushka Eggs concept books #10 - #14** and many Pearls are preserved in heaven for the next generation. They chronicled *why* and *how* an atheistic and wicked World Order will once more end in His **Wrath**. Forty Old Testament Prophets declared seventy times **ON THAT DAY**, thus the Creator YHWH sent many “Warnings” to proclaim “repent” and receive Eternal Life now amended with true science examples detailed in **Pearl #889 Part-1** by an appointed Jonah-II, concluding the prophesied 2nd Apocalypse still dated before Solstice **2022 AD**?
