

Last Warnings of the Apocalypse Birth Pangs Conclusion of a Corona Virus Infestation

To warn the greatest foretold Apocalypse now at the front door, the Creator YHWH did not appoint theologians to discover a hidden Date in Daniel's prophecy, but a scientist-inventor under the penname Jonah-II. It required adjustment of the 7000yr. Hebrew Calendar since every world calendar is fraudulent because everybody is more or less educated in fake science. Therefore Babushka Eggs needed an update, modifying a few Pearls like: *The Population Curve according to the Bible* - Pearl #126, *The Seven Mystery Thunders* - Pearl #242, *The Resurrection Plan for Mankind* - Pearl #300.

Many scripture references predicted the end of our civilization caused by a divine **Wrath**. Repeated once more, a high technology atheistic society will totally perish, similar to the divine Judgment during Noah's day. (2288 BC) A historic Yeshua-Jesus is still fanatically censored in Israel, but will come back as King of Kings and Lord of Lords to assure Mankind that Satan's **Evil** domain will be terminated, thus judged and enforced by cosmic Laws. Since no original world-calendars exist, the divine **Wrath of YHWH** could be explained for ignorant theologians trusting in falsified dogmas proven seventy times *On-that-Day* not taught in Christian churches or synagogues.

Recently TV announced an increase of the deadly Corona-Virus. I question, is it manmade to globally control the last atheistic civilization, or was it caused by the Creator YHWH to wake up everybody? His Torah-Bible prophesied a 2nd Apocalypse rooted in wickedness being a precursor once more of a divine judgment to end Evil. A deadly virus will quickly change a world society like empty highways never seen before; most airlines are not flying, a majority of stores are closed causing many business failures, but a family is together again, both out of work. Every government institution is placed on hold, and many more? Hopefully this generation will reflect on it.

It initiated the cleanup of my garage and found a few dusty Babushka Egg Concept Books translated in German, Spanish & Arabic, which will be preserved in the Book of Books. (Rev. 20:12) Reading again after 14 years, **The Mystery of Tammuz 17** (Babushka Egg Concept Book #2), I realized only some dates should be changed because various world calendars are fake imitation. When linked to Torah-Bible, the oldest book on earth, it corrected an embedded Hebrew 7000yr. calendar that projected the birth pangs of the prophesied Apocalypse to "end" our 21st century civilization.

The 2nd Tammuz Stake 2018 AD (page 168) should be amended to match Pearl #300 and add four (4) more years to **2022 AD**. Hence the Tammuz 3rd, 4th and 5th dates will start the prophesied Daniel's seven years corrected 2015AD to 2022AD because this civilization has experienced a population spike explained in **Pearl #126**. To decipher some Bible mysteries and calculate "Time" in heaven should examine Revelation clocks which maybe run (20 times) faster than on earth, perhaps they harmonize with ancient bronze-gold clocks exhibited in many international museums decoded in **Babushka Egg Book #3-Asteroid Answers to Ancient Calendars**.

Fake science assumed that the Time Dimension is constant, but is really slower as mentioned by many Torah-Bible references as proven by Yeshua 2000yr. ago and others: **Matt. 24:22, Mark 13:20, Dan. 10:12, 2Peter 3:8...**

This modern generation is mostly educated in fake science; hence it will not know that YouTube died which eliminated (16) million videos to erase the history of the last Western-civilization. Atheistic universities are getting paid huge grants to be silenced by the global FED-IMF banker's to control a world population. The Torah-Bible foretold and warned what the future will happen, like when the fruit of Evil became totally rotten is discarded. It is linked to many true science facts, **Babushka Egg Concept Books #3, #5 & #9.**

Therefore check exposed fake science in this video and what has changed fulfilling Prophecy of several Babushka Egg Pearls. But consider that NASA's "science" is fraudulent as shown on global TV, like our flat earth claimed to be a globe with planets and fictitious moon-spacewalk videos.

A Short Awakening Story of Creation - World of Wonderland - Rene Nadeau -

Thus Bible events become prophecy that could be linked to predictions if we assume a recent political reality similar to the assassination of Gedaliah, a Babylonian official. (**Jer. 41-42**) This might overlay the next Presidential election, as most Democrats in Congress will try anything to regain power?

It was recently shown in a YouTube video when a uniformed General entered the US Congress main-chamber and saw that everybody was killed. He stepped up and sat on the Vice President's chair, looked around silently and put his pistol to his temple and then heard a loud shot, ending the video.

Perhaps a sequel video could illustrate a biblically predicted Apocalypse of **New York City** displayed like fake 9/11 videos under President G W Bush now prophesied nuclear destroyed. (**Rev. 18:17**) Worldwide chaos is usually caused by FED-IMF bank cartel that could recall an Islamic US President to declare Martial Law ending the Constitution in America and removing the US Embassy from Jerusalem. The video could show the final days of dictatorial policies in Israel and the Two Witnesses sent from heaven. It is countered big time by the Creator YHWH (**Pearl #242**) as currently revealed in **Seven Thunders #5 - Jacob's Trouble** ending in an Armageddon war.

Many events of true science connected to the Apocalypse were described in Pearl #233 like HAARP [page 7-8] that secretly uses various microwaves. It can globally change the weather and the environment of nature. Thus wicked governments can manipulate the "jet-stream" around the world and cause gigantic floods, horrendous draughts and many earthquakes. Recently the Military tested some secret stealth weapons that burned whole towns in California and Australia blamed on forest fires, but melted metals of cars? It utilizes a **resonance frequency** of Physics useful to divide ocean saltwater into Hydrogen gas and amplified free electricity described in **Babushka egg Energy for Dummies #33** to gain endless power for the benefit of Mankind. It upholds the universe being transformed by **infinite-Light-energy** stated on the first creation day (**Gen. 1:3**) linked to laws of nature to sustain Life on earth.

In a Nutshell

The Plan for Mankind was framed like the US Constitution: all mortals were created and endowed with the right to Life, Liberty and the Pursuit of Happiness. But the Creator YHWH added procreation in his Torah-Bible book so that Adam & Eve's children would be inoculated with a big dose of *Evil* to ensure immunization of eternal Life in a *Jod* dimension.

However, YHWH is very *holy* (Isa. 6:3-4), thus He will terminate Evil in the *Daleth*-Time-Dimension designed temporally for a special earth. He paid a high price for allowing Evil in His universe. Being infinite, invisible, but greatly loved mankind therefore became visible in Christ, Yeshua-Jesus. To save Mankind, He was born on earth, divine shrouded in mortal flesh to atone for every Sin, which is forgiven and reconciled in a final test of *good* or *evil* intent. Many TV preachers and sleeping Christians will be deceived like the wisest King Solomon in need of a scripture protection fence. To prevent falsified dogmas preached in most churches, one should not ignore the advice of the Apostle Paul. (1Tim. 3:16, 2Tim. 2:15-26) "**Do your best...as one approved,**" (2Tim. 3:1) or "**Preach the word.**" (2Tim. 4:1-8) and pleading not to be *deceived* in a Thessalonians letter (2Thess. 2:1-15), joined by OT Prophets that stated *On-That-Day* (70x) meant for Christians to wake up. (Ezek.18:26)

Please check out another video of the first Adam & Eve story never heard in Christian churches expressing why the Creator made a detour linked to the Time Dimension. To expand creation of a future new *Jod* dimension He changed the Angel status to a lower level *Daleth* earth now born mortal. It is shown in nature on a two-cycle system like the caterpillar-cocoon-butterfly explained in metaphysics entropy of many *Babushka Egg Pearls*.

Adam & Eve: The Whole Story Doesn't Make Sense - until now (5-3-2020)

https://www.youtube.com/watch?v=_A7pFcnHVoo&t=856s

The Adam-Eve story has a silver lining as Mankind is going through much trouble in Life. They were given two (2) fruit options: *repent* for sin and die and go to heaven, or *fulfill* the purpose of creation to a higher Sainthood level. Thus, the newly created Earth is expanded on a teeter-totter test option: **Mercy** unto **Life** or **Mercy** unto **Death**. God had planned to remove *Evil*, thus Angels and Mortals alike were given a choice. Those who rebelled existing in outer darkness could end their lives, and those who accept the Creator's restitution were named in the *Book of Life*. Maybe only selected Saints will enjoy intimate fellowship with the Creator linked to the privilege of procreation, as eternal Life was designed without Evil for a *Jod* dimension.

Thus, the Creator YHWH introduced a Resurrection with an immunization protection against Evil, which is the foundation of a new heaven and earth. (Rev. 21:1) It will forgive mortals and grant a Gift of Eternal Life being invited in His soon arriving Golden City, (Rev. 21:9-27) only recently revealed during the Endtime ending **2022 AD**. The Creator YHWH started with Beth *-Berisheet* "heaven and earth" which is formed by infinite energy (light) but was lacking a "Time" base created on the fourth Day. It is mirror imaged by how entropy of physics developed on a *Daleth*-earth linked to a metaphysical *Heh* dimension (the other side). The first chapters in Genesis

describe the creation of many illustrated and misunderstood science events. The second chapter describes Mankind with an invisible Mind, Soul and Eternal Life related to the Gospels, detailed by a Hebrew Alphabet Number System to explain a preordained Resurrection for a *Jod* dimension shown here:

Is the End of Days Prophesied in the First Word of the Bible?

<https://www.youtube.com/watch?v=PtATSQx3cjl>

To demonstrate how a future *Jod* dimension works, let's investigate the body of Yeshua-Jesus after his Resurrection. Like mortals, he can speak, eat, have fellowship, but also could pass unobstructed through stone walls. Witnessed by many, He appeared miles away, which eliminated the Time Dimension. Thus the Key of the Genesis creation report is the Resurrection, which is finalized in the last chapter of Revelation with the very last word "Saints". They will appear at the end of the Apocalypse linked to no more death, pain and sorrows. Thus Eternal Life is only given to mortals having been inoculated with a large dose of *Evil* to safeguard a metaphysical structure for the *Jod* dimension. When the Endtime is concluded, the next generation of Mankind will be divinely educated as never experienced before and is governed by seventy (70) nations forgetting terrible wars and conflict to live in peace for a thousand years during Yeshua's Kingdom.

The history of the Torah-Bible is still denied by zealous Rabbis rejecting a well-known divine Messiah Yeshua, thus why ignore forty (40) prophets? Like Jeremiah (**Jer. 44:5**) who urged Israel to "**repent**" or perish in another war, which is similar to an Esther-story repeating a Jerusalem destruction. Only the celestial Kingdom of Yeshua will fulfill many Bible prophecies and promised a new Covenant to obsolete hundreds Jewish traditions. The Apocalypse was prophesied in the Gospels (**Luke 21:9-28, Mark 13:19-27**) to judge again an atheistic Gentile civilization. (v. 24) The **WRATH OF YHWH** is so terrible that *Time* will be shortened (20x) to settle *Evil* by imprisoning Satan. (**Eph. 6:12**) Daniel predicted many events of the Endtime like an abomination linked to a Temple mount - Al Aqsa Mosque in Jerusalem. Yeshua said, "Watch the signs of the Apocalypse," which has started by the international Elite killing massive **Life** to destroy the earth. Today the environment is globally assaulted by hi-technology like spreading Viruses, modify GMO seeds not sprouting, causing terrible floods, burning many towns around the world and suppressing "free" energy embedded in nature.

When **Evil** becomes 'absolute' the Creator will interfere once more and restore his *Daleth* - Earth (**Gen. 6:5**) to end again a wicked generation in a prophesied global Judgment. Many ignorant theologians are not aware that converted clocks in Revelation will run (20x) faster than clocks on this earth. Thus Prophecy is a problem on counterfeit calendars measuring "Time" as Yeshua said, "**No one knows the time.**" Hence the purpose to become **righteous** is fundamental to Yeshua who atoned for all Sins thus saving many of Mankind. Therefore, notice the main event is the Resurrection of special Saints to welcome Yeshua, the King of Kings in the sky, now traveling in his Golden City to fulfill the predicted "**Judgment**", and complete His Plan for Mankind, which started, "**Let us make mankind.**" (**Gen. 1:26**) still warned by Jonah-II in (**Pearl #300**) before solstice **2022 AD**?

Summation of the Amended Web Front Page

The Creator YHWH directed a Web experiment to break up an atheistic World System with a Corona Virus. It is similar to ancient Babel when the Hebrew language was confused to slow down Evil. If you checked some Babushka egg concept books and many Pearls will notice various **Warnings** of an inventor-scientist with a penname Jonah-II being also cultured in fake science. Thus, only the Torah-Bible will coach uneducated and blinded Minds. Being an inventor was useful to understand atheistic deceptive Lies, which were contrasted with true science to decipher divine Truth ending once more in a divine judgment Wrath.

Dating the Apocalypse is critically avoided in many Christian Churches and Synagogues because Lucifer-Satan is active in the heaven *Heh* dimension. But Satan will be cast out to earth and discover that he will lose the last Armageddon war too when the whole World is judged in YHWH's **Wrath**. As a Cherub-Angel of Light he may appear on earth as an AntiChrist, or is imaged produced by holographic laser using resonance frequencies. Thus redeemed Mankind will receive Eternal Life without Evil linked to a different designed body with a higher mind being destined for a New Earth. Evil is no longer allowed in the new creation, thus God will separate mortals and angels in a teeter-totter balance described previously for their last intent.

The Second Apocalypse is exposed by trusted disciple John in Revelation linked to a "test" meant for mortals. A World ruled by evil Elite will soon perish being swindled by an AntiChrist science deception to fool the last ignorant generation denying Bible Truth. The Creator will not allow Evil in His house and totally destroy the earth, or forget his footstool in Jerusalem.

Hence YHWH is very holy and restrained Evil with **10 Commandments** to control unforgiving Laws of nature. Scripture clearly stated that if we follow the Messiah Yeshua-Jesus and repent will become his disciple to receive the Gift of Eternal Life and many will be rewarded with Sainthood. Therefore numerous theologians will be judged for mistranslating divine Truth and corrupting the Gospel, worse teaching Satan's lies in denominations. Thus a scientist-inventor pennamed Jonah-II may raise some theological questions.

1. YHWH said, "*All have sinned, thus will die.*" Is God a liar when some theologians preach a profitable rapture story for privileged Christians that they will not die or worse placed above a divine Yeshua who died?
2. Many denominations assume that clocks in heaven linked to Revelation are the same on earth. Could 'Time' be 20 times faster? (**Pearl#300**)
3. Analyzing Daniel's projections matching the Apocalypse is always dated (7yr.) in the future, but why is it utilized on atheistic fake calendar?
4. The Gospel (**Matt. 25**) stated a bridegroom choosing (10) virgins. Why is it not dated? They were expected to enter the palace of the King with oil-lamps, but sadly 50% were foolish because they missed Truth (oil)?
5. Why is the **Wrath of YHWH** still confused with the last Apocalypse?
6. Thus, Yeshua called theologians "vipers" falsifying Truth and true science?

Forecast by Jonah-II from 1 September 2020

Babushka Egg Concept Books decoded many Prophecies discovered when Jonah-II was diving for pearls in the Bible-Ocean. Many true science facts are forbidden by a World Banking Cartel since 1913 AD printing money to control a worldwide Population. Hence the Apocalypse prophecy is started by the global Elite to boost their deadly political agenda next year (2021)?

1. Perhaps the President Trump is again chosen by an Electoral College ruled by a FED - IMF banker cartel, as all TV elections are fake staged.
2. But in an earlier sequel video [page 2] will use an opportunity to stop the Presidential Speech in US Congress showing that the prominent Elite and Supreme Court is murdered, thus ending a privileged US government?
3. Maybe could recall President Barack H. Obama born Islamic to fulfill Bible prophecy revealing the predicted AntiChrist & his Prophet Pope.
4. Thus, Martial Law is declared for America ending its US Constitution.
5. A shadow US government as a diversion could destroy New York City yet again now nuclear like faked 9/11 videos? They killed 20,000 people by implosion of three skyscrapers blamed on phantom Islamic terrorists.
6. Thus counterfeit NEWS held Israel responsible to trash the Peace-plan annoyed by the Two Witnesses, leading to global unrest and utter chaos.
7. It will incite most Islam nations to march in massive demonstrations to kill all Jews (**Pearl# 120**) surrounded by seven (7) world military Armies. It begins the *Wrath* of *YHWH* after the 7th month with *Chet* (8- caged in) followed by *Teth* (9- new Life) ending in *Jod* (10- higher level of Law). No other government system is allowed to rule Yeshua's Kingdom after His divine spaceship is parked with million Angels surrounding Jerusalem.
8. *Chet* in the Hebrew Alphabet Number System and Yeshua foretold the Second Judgment days like Noah who built an ark to save his family with the door shut from the outside by God. (2288 BC) But this time will save more mortals like millions of children and simple people not **evil**, like Jacob's dream on a moving ladder. They will escape the last conflict, a worldwide devastation in a Golden City – Star of Bethlehem. (**Rev.21:9**)
9. YHWH closing the spaceship door will launch His **Wrath** prophesied in **Seven Seals** (**Rev. 5**) and end in **Seven Thunders**, (**Pearl #242**) meant for the leftover world population. It can be linked to *The Population Curve According to the Bible*, (**Pearl #126**) which reduced the population spike by 90% (25%+33%+50%). It fulfilled Prophecy for the last atheistic 21st Century to perish in a huge *Apocalypse* justified by **John 3:16-21**.
10. When the (*Jod*) door is opened again, all "Mortals" will leave the spaceship to start Yeshua's Kingdom to populate the earth once more. Yeshua's spaceship arriving on earth will have a "Party" to celebrate Eternal Life and enjoy fellowship with the Creator YHWH and His family of many resurrected "Saints" (**Pearl #300**). He wrote the oldest *Torah-Bible* book to instruct Mankind in divine Truth and Prophecy by (40) prophets and disguised Angel scribes, dated before Solstice **2022 AD**?
