

Some Comments about the Paranormal Applied to our Faith (Sun Eclipse 8-21-2017)

Apocalypse mysteries do not follow our inclination, the level of our logic, or what we learned from life. Maybe this Sun Eclipse is the last sign in the sky across America. In Isaiah 24 **YHWH** asked the prophet to warn us, which detailed a final worldwide judgment. The Illuminati NYC bankers succeeded in destroying every culture around the world, replaced with a form of atheism. No wonder many believe a mistranslated Bible, as others discovered truth. Thus most seem to end up confused like Solomon the wisest man on earth. With all the extra wisdom and extreme wealth he finished his life being evil in God's sight worshiping Satan and his counterfeit religion. That was mirror imaged repeated in many Christian churches losing their generation of kids, too. Listen to a pastor who reads the Bible.

Many Jonah-II warnings were collected in Babushka Pearls related to true science censored for hundreds years, thus everyone was educated in deceit and lies. Thus I was not exempt to walk between a theological minefield of denominational lies asking God, "Why do you not answer my prayers?" A paradox exists: put a thousand people in one place and some miracles will happen - healing an individual, talking in tongues as some show an outpouring of a spirit no one knows from which side, which are usually pointed out by theologians to make some money taken from gullible, hurting people. On one side the theologians postulate that the Old Testament Ten Commandments is meant only for Jews who were rejected by God, but they favor Moses' ancient laws giving money to the temple. They urge their audience to buy a seed donation to please the Lord to make them prosperous. Thus, Christians keep the Sunday in violation of the one-God appointed Saturday, even made the one-God into three, a clever twist to create another denomination making more money. They invented a profitable rapture story and do not care to call God a liar who said, "*Everyone who sins will die.*" They twist Scripture again that only Christians in their church will go to heaven, to a timeless dimension and brush aside that Yeshua will be on earth. They'd rather believe in hundred-year-old deception of being born privileged, but their name may not be on their own tombstone. Rather they will soon perish in divine fury, lastly warned with a sun eclipse? Thus before the web is gone, listen to the science echo that YHWH said to Moses in the Torah and was linked to:

Now many mass graves are found and wonder, maybe they are the lucky ones who died earlier, no more pain and unanswered prayers? They all wait for a resurrection to be offered Life again, but this time no strings attached by the same person, YHWH, who allowed Satan to rebel with consequences. In a sinking World-Titanic grasp your own answers to life's mystery and call on Yeshua the way he was revealed, not seen by others. Ask him to open your heart and wait; hopefully you will pass the test. I hope to hear a response to my unanswered prayers, confident of not repeating a deceived Solomon. When I have a question, I put my finger at random in my Bible and read his Word. It works for me! Examine what gave me comfort.

A Psalm of David # 57_(NIV) - For the director of music

- ¹ Have mercy on me, ELOHIM-Yeshua, have mercy on me,
for in you I take refuge.
I will take refuge in the shadow of your wings
until the disaster has passed.
- ² ***I cry out to YHWH the Most High,***
to my God, who vindicates me.
- ³ He sends from heaven and saves me,
rebuking those who hotly pursue me
ELOHIM-Yeshua sends forth his love and his faithfulness.
- ⁴ I am in the midst of lions;
I am forced to dwell among ravenous beasts—
men whose teeth are spears and arrows,
whose tongues are sharp swords.
- ⁵ ***Be exalted, ELOHIM-Yeshua, above the heavens;
let your glory be over all the earth.***
- ⁶ They spread a net for my feet—
I was bowed down in distress.
They dug a pit in my path—
but they have fallen into it themselves.
- ⁷ My heart, ELOHIM-Yeshua, is steadfast,
my heart is steadfast;
I will sing and make music.
- ⁸ Awake, my soul!
Awake, harp and lyre!
I will awaken the dawn.
- ⁹ ***I will praise you, YHWH, among the nations;***
I will sing of you among the peoples.
- ¹⁰ For great is your love, reaching to the heavens;
your faithfulness reaches to the skies.
- ¹¹ ***Be exalted, ELOHIM-Yeshua, above the heavens;
let your glory be over all the earth.***
