

A *Beth* Mystery (Ex. 3:14)

The celestial Torah-Bible curtain was opened a little to show the other side and begins Genesis with the letter “**B** - *Beth*” meaning duality or Vielheit in create *Bereshyt*. Perhaps the creation story is described from an Eve perspective revealing renewal of all Life, restitution and restoration. Thus a different viewpoint could explain that the invisible Light of an infinite Creator YHWH became visible in Yeshua-Jesus expressed in a dual nature, “*Let us make man in our image.*”(Gen.1:26) This Pearl became three (3) parts to explain new Bible concepts never preached in church. **Part-1, how the future Kosmos expands, Part-2, who is mini-pre-resurrected, Part-3, can Yeshua’s arrival be dated?** Hopefully this Pearl will reveal hidden keys of the divine YHWH Plan ending in a “New” earth-heaven expanding the Kosmos.

Watch for the biggest NEWS – *The Kingdom of a Born King!* Yeshua-Jesus is at the front door! It was designed as the *Teth*-Age and prophesied to last 1000 years [JC] being governed by divine laws. It will give mankind a Sabbath rest to live in peace without Evil. The King of Kings will arrive at a most critical time to save Mankind and restore an obliterated polluted earth linked to the greatest predicted Apocalypse. Read carefully how this future society will be governed by “*Divine Laws*” never experienced before by mankind. The whole earth will profusely reproduce abundant Life again - no longer cursed, therefore thriving with bountiful blessings for a greater population. Agriculture will be healthy again, free of deadly chemicals, healing most diseases, thus obsoleting hospitals. (Rev. 22:2) Even prisons are gone. Free infinite **Energy** is allowed from nature, like Electricity and Hydrogen. The future society will forget money and work without pay to show their passion for skilled hobbies. Seventy future nations will globally teach the **Ten Commandments** again and educate everybody in basic **Freedom** and **Morality** with **Civility** to articulate the character of the Creator YHWH. To discover how a future society works in free schools and universities applying divine wisdom, study a Bible chapter. (Rom. 8:1-39) Some may ask *who are the Sons of God?* (v.13). It could be shown in nature like a royal king’s birth shared with an Apocalypse placenta divided after the child is born. (1Thes. 5:1)

Investigating the recent Apocalypse warnings, a pen-named inventor-scientist Jonah-II discovered forbidden historic facts affecting many hi-tech governments destroying again mankind and nature the world over. He linked the Torah-Genesis with true science showing that only (2) two dimensions exist: *Heh*-heaven and *Daleth*-earth.

It disclosed the most important issue of mankind explaining the origin of Evil, the Creator YHWH inserted a temporal Time Dimension on earth. It started with a rebellion of the highest archangel Lucifer-Satan against

the Creator. One third of the Kosmos angel world believed his Lies thus becoming wicked demons destined to live forever in outer darkness confirmed by Yeshua's Gospels and Revelation. **(Rev. 9:1)** They violated divine laws. To stop Evil budding to total cosmic chaos, the Creator YHWH introduced that "Time" is only transitory and recorded the effect in history on a 7000-year Hebrew calendar. The Plan for Mankind has revealed that the expansion of the Kosmos is totally changed by the greatest prophesied Apocalypse where Evil caused by Satan is terminated to restore and balance the Kosmos again.

A New World Order Placenta (Zech. 5:7, Isa. 33:1)

The nature of Evil is like a placenta divided by a holy YHWH. It can be linked to a corrupt, sophisticated fraud enforced by FED-IMF Illuminati banker cartels. They print a zillion dollars yearly ever since 1913 concocted massive grants to finance every war which corrupted global politicians, governments & military industrial centers. Half the world's population is employed with obscene salaries to produce horrible hi-tech weapons only to recycle the illegal capital back in government bonds & a stock market casino. They have programmed everybody in atheistic fake science to totally devastate this earth and mankind. Therefore, if you want to be informed, examine some YouTube videos. Who else dominates the global village to deceive everybody like UN and their military EU cartels? All cause massive destruction of the whole earth. Many videos exposed NASA lies showing faked Moon landings made in Hollywood studios, satellites hanging on balloons, or a CERN fraud of (32) fictitious subatomic particles; all is linked to suppress free ultra cheap energy. Why was the German schoolteacher Hoffman silenced for splitting water into a clean Hydrogen gas? Why forbid Nicola Tesla from extracting free Electricity from copper coils & magnets? Everything is hidden and blamed on Global Warming to conceal a hundred rackets to keep the world population ignorant. Many GMO patents that modified food-seeds and animal genes failed dismally, similar to fracking to squeeze the last dirty Oil. But worse, they ignore a food production shortage that collapsed grocery storage from (6) month to (3) days, which was triggered by guided military blue laser HAARP microwaves aimed at the jet-stream causing gigantic deadly floods or burning many towns blamed on (forest) fires. It upset massive political unrest for millions of refugee families walking from a shattered neighborhood to escape death. But supremely wicked is to cover up nuclear radiation lasting hundreds years now leaking from every power station. And worse Fake-NEWS concealed photographs of international universities that modified hybrid aberrations of Trans-Human-Genes corrupted with animal genes. Thus is guaranteeing to end next in **YHWH Wrath** of the prophesied soon arriving Apocalypse, exposed in 2016. **(Pearl #270)**

The Plan for Mankind (Ps.139, Job 27:13)

The Kosmos is still in the developing stage not yet restored. Angel-demons from the abyss are still alive and very active on the Endtime. (Rev. 9:1) After Satan's rebellion, the Kosmos was restarted with two races: Angels, resembling sexless clones and Adam-Eve is given to reproduce children to fill the earth and manage nature. When wicked Evil appeared, the Creator confined it by inserting a temporal Time Dimension that caused mortality only on earth. Thus, Mankind was added to expand the Kosmos but this time to procreate on a (2) two-cycle plan for a higher purpose. A dual *Beth* coin introduced concepts Good-Evil, Life-Death, Paradise-Hell, and (2) two resurrection options of "Mercy" unto *Life* and "Mercy" unto *Death*. The first couple was told to be fruitful but did not pass the loyalty test and chose eternal Death over eternal Life. God allowed the human race to continue on a two-cycle system like the caterpillar-cocoon-butterfly in nature to give everybody a chance to live-forever. But many will be nameless like blastocyte embryo cells sold in abortion mills. Except, if developed as a butterfly-soul, one has the possibility to assemble in one place for a special purpose, like butterflies in Mexico? On the resurrected side many will be happy when their Sin-debt is forgiven to resume Life forever in a restored Kosmos offered by the Creator YHWH.

Adam-Eve was promised a seed that became historical reality in the life and death of *Yeshua-Jesus*. But His "*Resurrection*" in Jerusalem demonstrated to everyone that "Time" will end in the *Daleth* dimension as illustrated in a dual *Beth* system. Thus His death divided an ancient Temple-curtain revealing on the other side a divine purpose to prove and validate Eternal Life recorded in the Gospels. But to control atheistic Evil, God will always respond with His divine *Wrath*. Thus, He judges any generation (2 Tim. 3:1-9) destroying Life and Truth until His 7000-year plan is settled in a new *Jod* Dimension.

Worldwide the present atheistic generation does not realize that they are targeted with deception of fake science aimed to displace Truth. To confuse theologians, Satan removed some ancient (Apocrypha) scrolls now missing from the (70) Torah-Bible books. Thus, everyone became ignorant of the greatest Apocalypse warnings to once more end a hi-tech civilization. However the last 70th Torah-Bible book will be written during Yeshua's Kingdom in the original language (like Tanakh in Berishit-B) as everybody will be speaking Hebrew again reversing the Babel event. It will explain all the unanswerable questions of why Evil? The first language of Mankind was designed by an extraordinary multi-dimensional Mind being structured to communicate with the Creator. The *Daleth*-earth dimension is ice crystal domed to control physics and metaphysical laws related to a Hebrew Alphabet code using a base-seven (7) math system. Thus, the Plan of Mankind is linked to a 6000+1000=7000-year Hebrew calendar based on seven (7) time cycles of creation. It is linked to divine law reduced to Ten Commandments to control all of mankind.

Yeshua's Kingdom is the Fullness of Time

A totally new *Teth*-society will evolve in Yeshua's kingdom after a short Apocalypse *Chet*-Age; hence Evil is finally locked up ending a *Zayin*-Age which was governed for 6000yrs by a Darkness Kingdom. A mighty angel Lucifer-Satan is lastly judged and put as a lone survivor in the nether prison and terminated all his millions demons. (**Rev. 9:1-21**) If we study the history of Satan, he created every religion especially used Islam and many Popes to murder billions of families Christian and Jews in genocide to shorten Life. Perhaps free salvation is still prevented by many Lucifer's deception united into CRISLAM maybe declared on the Temple Mount in Jerusalem? The challenge of unchanging righteous Law during mortal Life in a *Daleth* dimension is only solved with a free Life-Gift from the Second Adam Yeshua to guide us in the right divine compass direction. (**1 Cor. 15:45; Heb. 10-11**) Just make sure He knows your name and state **Not Guilty** given mercy to **Life** plus a great prize, a personal audience with the Creator.

Therefore, Evil was prophesied to end when Yeshua-Jesus comes back from space with extraordinary splendor and millions of angels. He will direct his divine cosmic power to establish a godly civilization governed by cosmic **divine laws** to facilitate survival and live with mortal Mankind for a thousand years. His footstool - the earth, will be fully restored to its former splendor and closing a **Chet Age (Pearl #289)** designed in a mirror image of a bigger new Kosmos *Jod* dimension.

Thus, redemption begins midpoint centered in Time embedded in the Plan for Mankind. It focuses on Yeshua being shrouded in mortality to atone for the Evil violating YHWH's creation governed by divine absolute laws. He allowed evil mortals to horribly torture his human body. They nailed Him on a cross to hear His expressed final words: **Forgive them; they do not know what they do...** declaring a divine purpose: **today you will be in my kingdom.** Satan did not succeed to take Yeshua's life, not possible, as the giver of all Life shouted: **IT IS DONE!**

His death was confirmed by Roman soldiers lancing his heart fearing a merciless system. The whole town of Jerusalem was stirred by an unheard Resurrection of a labeled "King of the Jews" stated over the cross by Pilate. But the biggest surprise proven in science is the evidence of a strange **Resurrection** in an empty hollow mummy shell.

Pontius Pilate and the Jewish Senate were perplexed how a guarded dead body disappeared from a solid resin shell without showing any fractures. Wealthy influential Joseph and Nicodemus of the Sanhedrin donated 100 lb. of expensive material for a solid mummy case leaving only a small face hole for identification. (**John 19:38**) They desired to preserve the greatest teaching ever practiced in Israel. Thus YHWH announced the greatest **First Resurrection** mystery remembered throughout history as the center of a new *Jod* Dimension where absolute Evil was judged forever, restoring the Kosmos to balance. (**Rev. 11:15**)
