

8 = Cheth (n) – The Apocalypse 2023

The Creator YHWH wanted to document the Apocalypse, thus he appointed a scientist-inventor Jonah-II to warn an evil and atheistic Civilization. A few Bankers (Federal Reserve 1913) got the power to regulate the USA currency and printed money, which worldwide bought all the gold to control many countries, manipulate energy and taught fake science in all universities for hundreds of years. God grew angry when an Archangel Lucifer-Satan and 200 million Angels became **Evil**; consequently, he will burn the universe in a lake of fire starting a new creation changed to the *Jod* Dimension? (Rev. 21:3-8)

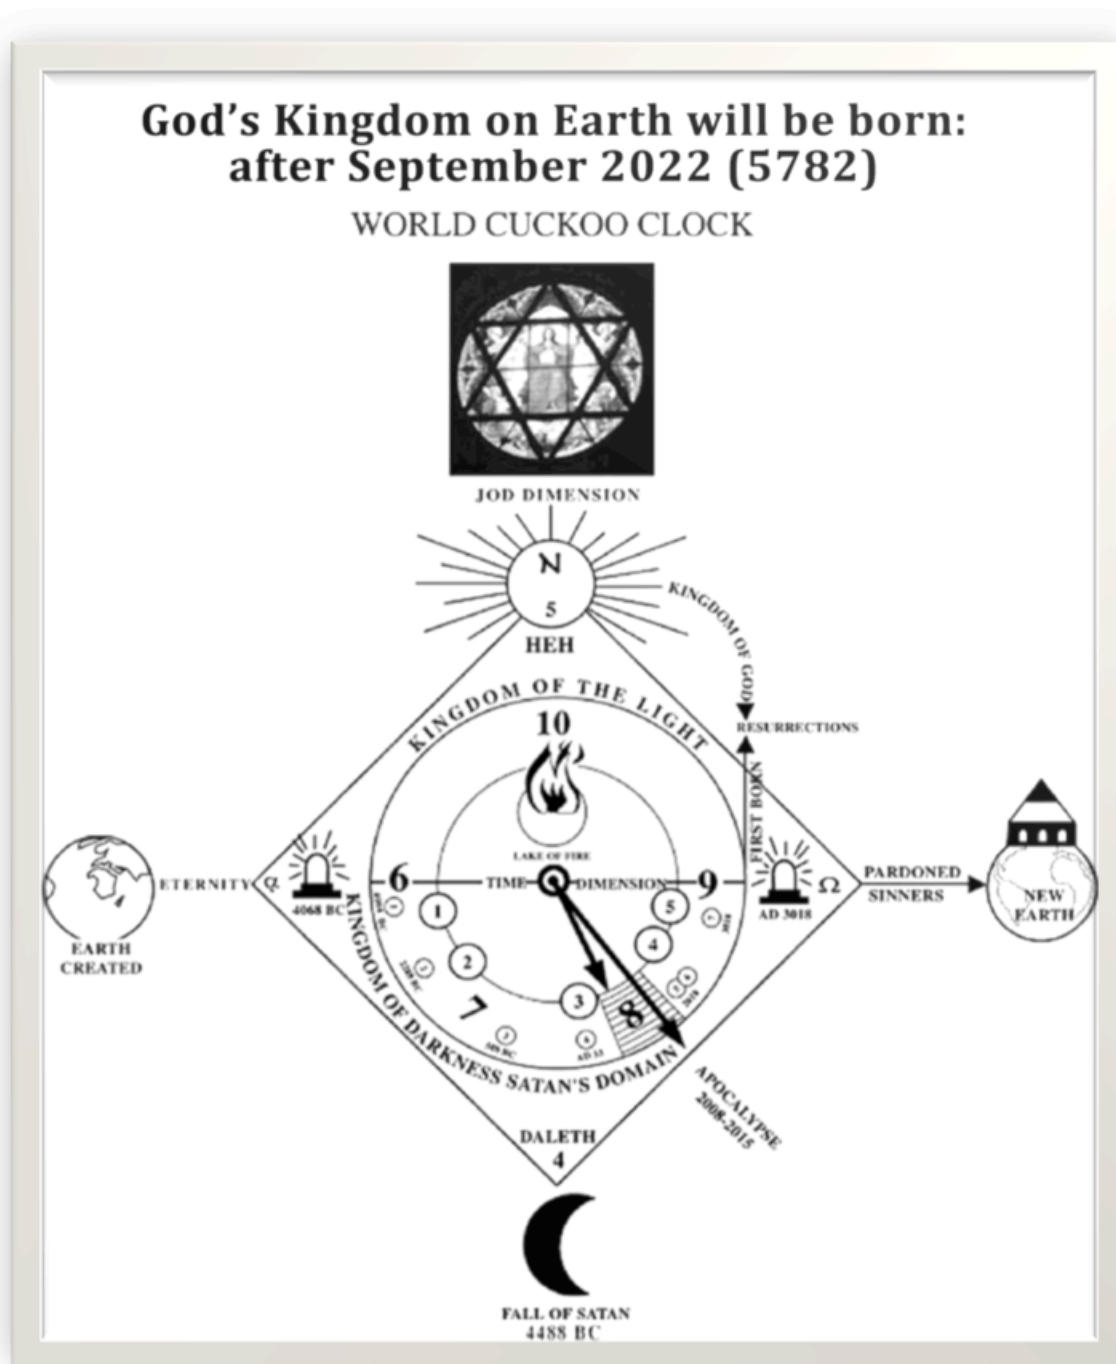

Therefore, the Creator saved in heaven (2) mortal witness prophets, Enoch-Elijah for the Endtime, who perhaps arrived after **8 August 2023**? They will express Truth from a divine perspective and finalize Judgement, teaching the Eternal Gospel to settle the plan of Mankind. Hence the Apocalypse closes by splitting current events for 70 days to be a witness for Yeshua's Kingdom equinox birthday **21 September**, which was wrongly dated in many Babushka Concept Eggs because of fake calendar science. Therefore the prophet Elijah will not be in the Jerusalem NEWS (*a fake science club*) since he revealed many hidden and kept secret Islamic missiles (\$ 400-800) sent for Israel's destruction, or debate about expensive iron dome defense.

Please examine the prophesied Apocalypse and review a predicted future for the last generation of people linked to knowledge of the divine Torah-Bible. (Isa. 42:6-9) An evil and atheistic population will terminate in judgement and perish again, seven days Wrath in 3 weeks.

Therefore the Plan of Mankind describes that eight people were saved from Noah's Flood in 2288 BC. It is represented in a Hebrew Alphabet Number System (HANS) with a root number of *Daleth* (4) meaning "this world in this time" like (8 = *Chet*) two "corrals" of sheep rounded up. In one impound are slaughtered, the other are given Life, which is a new beginning for humanity. Noah's whole world was destroyed by water *Mem*=40 to close the cosmos in *Taw*=400 in fire.

Cheth (in HANS) has a numerical value of eight (8); therefore will be changed, depending whether we are looking at recent events explained in Revelation (*not for Christians*). Hence YHWH overlaid a *Chet* Age (2) circles on a *Daleth* earth (not a globe) as viewed by a fenced cage, maybe granted **Probation** not evil or died too soon, designed by divine Laws for a different universe of a *Jod* Dimension.

The **Cheth Age** is recorded in the Torah-Bible and analyzed with righteous-wicked Angels or mortal good-evil Souls, like true science related to animals, vegetation & bacteria-viruses and is finalized by Earth's history. Reading the Genesis creation, we learn that Yeshua's birth & death is linked to eight (8) future seasons, spring-summer-fall-winter & north-east-south-west to unify with a *Teth* Age Kingdom. The Apocalypse ends with **Wrath** on a Holy Day of a New Hebrew calendar Sukkot – Booths or Tabernacles again, **23 September 2023**?

Therefore, countless Saints will be resurrected for the new *Jod* = 10 Dimension described in Babushka Eggs and corrected by heavenly scribes to one language which was spoken once before by Mankind. All is prepared for the Creator YHWH on a higher *Cheth* (8) level and amended in **Pearl #213** not yet finished, dated 70 days = 10 weeks. It is linked to 1 week's **Wrath** on the World Cuckoo Clock with dual *Cheth* pointers converted to Ages [5 + 4 + 1 = 10] (**Pearl #106**, Page 4), like *Heh* Heaven – *Daleth* Earth – Yeshua's kingdom (120th Jubilee). It closes and ends Satan's evil **Dominion** and hence will be starting the new eternal *Jod* Dimension.

Addendum

Being over 91 years old, this is perhaps is my last dream. (Rev. 21:1-14) Please check it out now, only three (3) weeks to go because this atheistic and evil civilization will die and perish once more.

Yeshua is standing on the door (Rev. 3:15-22) ready to end the Apocalypse (verse 20). Perhaps He will be confirmed on His Equinox birthday (23 September 2023) and continue for the same reason as Noah's judgement (Gen. 7:10 - 1 October 2023), thus will begin Yeshua's Kingdom after seven days of **Wrath**. Christians should observe the Day of Atonement-Yom Kippur (24 September 2023) and accept Sukkot - Feast of Tabernacles (29 September - 15 Tishri 5784). Therefore, Yeshua will remove **Evil**, making all things New with the **Saints**. (Rev. 22:10-21) He started His Kingdom and recorded recent events for Mankind in amended Babushka Egg Concept Pearls.

Checking the prophesied Apocalypse of the Torah-Bible on my computer, they are detailed in 18 long chapters of Revelation, (*not written for Christians*), as "Time" in heaven seems to run 20 times faster, which caused all kinds of incorrect Christian interpretations. They believe that the Apocalypse is seven (7) years long linked to a pre-tribulation, mid-tribulation & post-tribulation, but the last Bible book of Revelation documents a shorter **Wrath**, like seven days. We have many *Daleth* eyewitnesses; please check the previous **Pearl #213** on Page nine (9) not yet finished. Maybe that date is when two mortal witnesses Enoch-Elijah from heaven arrived?

Once more an atheistic civilization will die again being judged with the last evil generation believing in fake science. The Creator YHWH wanted more people so He caused three population spikes. (**Pearl #126 - The Population Curve According to the Bible**) During the Second Apocalypse judgment, much of humanity will survive receiving forgotten **Probation** which is enormous for creating eternal Life.

Writing my last Pearl for the Creator YHWH will become a second *Daleth* witness 23 September 2023 describing Resurrection to close a Time Dimension? It will be linked to a divine economy in Yeshua's Kingdom never been on earth to terminate a **Mortality** and **Evil** to become extinct for the eternal New *Jod* Dimension.

Consequently my First Babushka concept book was written for non-Christians, **Apocalypse Prophesied from Eden to a New Jerusalem, God's plan for Humanity 2008-2015**. Now we have fake science, which makes it very difficult to foretell a date perhaps is Yeshua's Conception matching Christmas to a Jewish holyday of Light with His Kingdom. Expect the last prophecy to disappear dated in Hebrew Alphabet Number System to be ready before winter **Solstice 2023**.

The Lord's Prayer (Matt.6:9-15)

Our Father in heaven, hallowed be your name, your kingdom come, your will be done, on earth as it is in heaven. Give us today our daily bread. Forgive us our debts as we also have forgiven our debtors. Lead us not into temptation, but deliver us from the evil one, for yours is the kingdom and the power and the glory forever. Amen.

Endtime after 23 September 2023

An Apocalypse was recorded in the Torah-Bible; perhaps Yeshua altered His schedule a little because of privileges as King of Kings and Lord of Lords with a predicted change (**Pearl #213, Part 2**). Hence a war is started in heaven with Archangel Michael fighting Lucifer-Satan ending in the 7 days of YHWH's **Wrath** on *Daleth* earth. It begins Yeshua's Kingdom initiated by Enoch-Elijah and is dated between two equinoxes of 7 Holy Days on a New Hebrew calendar.

Yeshua is coming with Saints and the people of Probation

But he held his peace and answered nothing. Again the high priest asked him, and said unto him, Art thou the Christ, the Son of Blessed? And Jesus said, "I Am," (not pronounced in Hebrew, exclusively holy) and ye shall see the son of man sitting on the right hand of power coming in the clouds of heaven. (Mark 14:61-62)

In retirement I wished to be a gentleman farmer; therefore, I started a vineyard in Philo, Mendocino California, which I enjoyed. I then had some time to write Babushka Concept Books & Pearls on the Web, diving in a Bible Ocean to collect verses in the Torah-Bible. It is similar during Yeshua's Kingdom. Please watch a recent video, ***A Walk in the Clouds***, (DVD Essentials) learning about real science.

I sent my 5th Babushka Egg Concept Book on unlimited Energy to President Obama in Washington with a letter (**Pearl #199**) becoming famous like Jesus Christ. According to physics, an unrestricted fuel is embedded in nature like free Electricity & Hydrogen gas converted from water (H₂O), which is unlawful and not allowed by the Oil Cartel. The answer came three weeks later when I was visited by two agents from the IRS and the State Department. They were sent to murder me like so many previous scientists but found no evidence around the barn. Maybe God prevented it, or I was born in Germany. I had an English editor scholar Christopher Patton who corrected my Babushka eggs of many Pearls (jonah2015@yahoo.com). He answered my e-mail texts on August 30, 2023, "It is a good article like back in the 70s was associated with Tomorrow's World."

Comment on this article - We would all like to know the future what is going to happen to us and our families. Movies are made on the premise of avoiding terrifying events, devastation, and death. But disturbing events, destruction linked to Satan's Evil is concluded in the future! We can know what is coming and how to avoid it!

Please watch the video - ***Your Future in a King's Dream***

Throughout history, God has given warnings of coming events through His chosen servants. He informed through Noah the next Judgment of Death for evil Mankind. The Creator YHWH chose many prophets to foretell things to come, like Joseph, Elijah, Isaiah, Jeremiah. But Daniel, to save to his life, He revealed to the King Nebuchadnezzar the whole history of Mankind. (**Daniel 2:22**)

There is a God in heaven who reveals secrets. (v. 28-29)

Jesus sent out seventy disciples, empowering them to preach the gospel and heal the sick. They excitedly reported that even the demons were subject to them in Christ's name. Jesus rejoiced,

thanking the Father that He had hidden these things from the wise and prudent and revealed them to babes. Then Jesus said to the disciples:

Blessed are the eyes which see the things you (don't) see; for I tell you that many prophets and kings have desired to see what you see, and have not seen it, and to hear what you hear, and have not heard it. (Luke 10:17-24)

God has kept things secret from the world at large, only revealing them to His followers. Many believe that Christ spoke in parables to make His message more easily understood. Christ's disciples asked Him why He spoke in parables, consequently answered,

Because it has been given to you to know the mysteries of the kingdom of heaven, but to them it has not been given. (Matt.13:10-11)

Christ added that the multitude would not see or hear and understand (vv.12-15). Jesus spoke in parables, fulfilling prophecies and utter things, hence kept secret from the foundation of the world. (v. 35)

The Apostle Paul understood this. In his epistle to the Church of God in Rome, Paul closed by mentioning the mystery of Revelation kept secret since the world began. (**Romans 16:25**) Future information is kept hidden from others and only revealed to a few, like **Probation**.

It perhaps a secret formula for a soft drink, a grated recipe, a process, a method, a design, or other trade secret locked in a corporate vault. Some Government information vital to the nation's security is classified or top-secret. It may also be a Bible mystery such as the purpose of life or understanding the end-time prophecies.

YHWH reveals secrets to His people, as no one can know what His purpose is, except for the things He chooses to disclose it. (**Deut. 29:29**)

The Psalmist David said and not yet been revealed; (**Psalm 25:14**)

The secret of the Lord is with those who fear Him, and He will show them His covenant.

The Apostle John explains that we are now the children of God, but it has not yet been revealed exactly what we shall be. When Christ returns, we will be like Him and be able to see Him. (**1 John 3:2**) There are prophetic warnings of the Second Apocalypse about terrifying events, destruction, and death that are going to happen in the very far Endtime. The future secrets can be known (**Psalm 119:2**) explaining that those who keep His testimonies and seek Him with their whole heart are blessed. The Prophet Isaiah warned people to seek God while He may be found. Take heed, watch & pray, for you know not when the time is. (Mark 13:30-33).

Web Cheth Age – The Apocalypse 2023

To be or not to be fulfilled, by Roger Meyer

Comment on this article (3rd September 2022,)

To be or not to be fulfilled - that is the question regarding whether or not Bible prophecies *have been* fulfilled or are *yet to be fulfilled*. It is a fair question, to be sure, despite my apologies to W. Shakespeare for appropriating from his play “Hamlet” the famous soliloquy spoken by Prince Hamlet.

Atheists and humanists do not believe the Bible is the word of God. Others hold a skeptical view of the Bible and its prophecies. Some who call themselves Christian think that prophecies were just for the Old Testament times and are not relevant today. Others know there are prophecies specifically about the “end times,” and an increasing number of people are coming to believe we are indeed living in those times. Serious students of the Bible are very much aware of end-time prophecies and are watching for the fulfillment of these events.

Prophecy is a significant part of the Bible, including New Testament prophecies for the end time delivered by none other than Jesus Christ Himself. So, yes, Bible prophecy is not only for “olden times,” but is very much relevant for today.

Most people are aware of the term *apocalypse*, which today is a moniker or metaphor for “the end of the world.” Apocalypse is misleadingly to describe the wholesale destruction of anything. Dozens of disaster movies have the word “apocalypse” in the title. In these movies, the destruction may be brought about by angels or aliens, cannibals or cowboys, meteors or Mayans, starships or sharks, or by the zodiac or zombies.

The word apocalypse has also become a general misunderstanding of the Bible’s book of Revelation. In fact, the word revelation is an English translation of the Greek word ἀποκάλυψις (like apokalupsis *ap-ok-al'-oop-sis*) Strong’s G602, which means appearing, coming, lighten, manifestation, be revealed, revelation.

But many people also believe that the book of Revelation is a mystery which cannot be understood. Some think the author of the book may have been hallucinating. But as the first sentences in the book state, it is “The Revelation of *Jesus Christ*, which God gave Him to show His servants - *things which must shortly take place*. He sent and signified it by His angel to His servant John, who bore witness to the word of God, and to a testimony of Messiah, to all things that he saw.

But, most are puzzled and bewildered by the mysterious symbols and imagery and conclude they haven’t a clue what it means. Others may “see” in it what they want to interpret and apply it to some political events or natural disaster. **Matt. 23:13-39** described six **Woes** for Scribes & Pharisees plus 3, (**Rev. 9:12**) related to seven days of YHWH’s **Wrath**.

There are numerous places where the Bible uses the phrase “*that it might be fulfilled*” concerning prophecies referring to Yeshua - Jesus Christ. In fact, all of the prophecies about ‘Jesus’ coming in the flesh were fulfilled, more is added in Yeshua’s Kingdom **Pearl #213**, Page 9.

“Now when they had fulfilled all that was written concerning Him, they took Him down from the tree and laid Him in a tomb.” **Acts 13:29**

Many have noted the numerous prophecies that were fulfilled concerning the life of Jesus Christ and said:

“These are the words which I spoke to you while I was still with you, that all things must be fulfilled which were written in the Law of Moses, the Prophets, the Psalms concerning Me. (**Luke 24:44**).

Many prophecies concern other things stated in the Torah-Bible that are already fulfilled. But there are future events yet to be completed during Yeshua’s Kingdom. He warned that many people would be distracted when He returns on the Endtime. (**Matt. 1:22, 2:15, 4:4, 17, 23**)

But you don't have to be among them! (**Luke 21:34**)

Jonah-II found out that “**all**” Babushka Egg concept books and Pearls are biased with fake science, like Christmas is wrong and not the birthday of Jesus the Christ. Perhaps it is His conception date, and every religious Holy Day we celebrate is erroneous because the old Jewish calendar will not accept the true history of their Messiah, Yeshua. Thus I use a solstice calendar as the Sun travel is known over thousands of years, as stated in the oldest book, the Torah-Bible. Consequently watch the video once more to discover Truth.

<https://www.youtube.com/watch?v=1WHIr-IFqAo>

Therefore, the Apocalypse will end, as predicted, with the 7 days of YHWH’s **Wrath**. Yeshua will start His Kingdom after His alleged birthday (**23 September 2023**) between two Equinoxes of seven (7) Holy Days, but on a New Hebrew calendar. Hence, the World Emperor Yeshua did not change His privileges leading to a different economy on the *Daleth* Earth; therefore, please check **Pearl #213**, p. 9.

It will end Evil caused by Satan during Yeshua’s Kingdom while elitists controlling this atheistic civilization fear some unanswered questions, avoiding its purposes by using fake science. Consequently YHWH confused the ancient languages of humanity (**Gen. 11:6-9**), which will slow down our ability for unrestrained immorality.

Thus Yeshua’s Kingdom will discover how much longer God will allow “progress” for Mankind in a future planned divine society, recorded in many Web Babushka Pearls. Please learn more. Read or listen to other sources like *Armageddon and Beyond* -Tomorrows World.
